Jessie-

You have always made us proud, good luck in college. We love you very much,

Dad, Mom, Ben and Abbey

Always remember.....

There are loyal hearts, there are spirits brave,
There are souls that are pure and true;
Then give the world the best you have,
And the best will come back to you.

Give love, and love to your life will flow,
A strength in your utmost need;
Have faith, and a score of hearts will show
Their faith in your word and deed.

Give truth, and your gift will be paid in kind,
And honor will honor meet;
And a smile that is sweet will surely find
A smile that is just as sweet.

Give sorrow and pity to those who mourn;
You will gather in flowers again
The scattered seeds of your thought out borne,
Thought the sowing seemed but vain.

For life is the mirror of king and slave-
'Tis just what we are and do;
Then give to the world the best you have,
And the best will come back to you.

When you go to college I'll miss a lot of things-your bizarre humor, your seriousness and your toughness. Thanks for teaching me to shoot and carry a puck and be tough even when things look impossible. Don't forget about me-I'll never forget about you. (When you move out of your room, I'm moving in.)

Love,
Lindsay
